A Nevada Limited Liability Company

I've bought six properties with Chris Schellin and Westwood Net Lease Advisors over the past year and a half and can truly say that he's done a superb job. He's guided me every step of the way from educating me about a particular tenant to helping me with the closing process. I can always rely on him to provide educated, honest answers to my many questions and can rely on the fact that he always is available to help no matter the circumstance. His job just doesn't stop after I buy a property. He's there if I ever have any questions down the road and for that I can honestly say that I recommend his services to anybody wishing to deal with Chris or Westwood Net Lease Advisors in the future.

Sincerely,
